The following appears in the Associated Press dispatches: JACKSON, MISS., Sept. 4.—Grand Secretary ment of relief, received through him as Grand Secretary of Masons and Grand Treasurer of Odd Fellows: I have received sand dollars, chiefly from Masons and Odd Fellows, in nearly every State in the Union. This has been distributed through the proper committees in Granada Vicinity of the proper committees of the proper committee Port Gibson and Canton, and the same ha been gratefully acknowledged. No other place in Mississippi has required assistance to this date, but the fever has just broke out with great violence at Greenville, and reports from Holly Springs indicate an epidemic there soon. Nearly 2000 persons are prostrate in Vicksburg. In Port Gibson there are 460 cases to date. In Grenada all die who are attacked, and none seem to escape. The pestilence has six weeks to run, and thousands must yet go to the gravleaving wee and want behind them. Amid the sucrounding gloom comes material air and loving words from our brethren every where, and the great American heart seems to have asserted its bumanity as never before. All assistance sent through me is acknowledged by return mail.

Negro Rioters in Memphis.

Memphis, Sept. 2 .- A number of negroes some of them drunk, assembled before the commissary depot this morning, and becoming riotous, made a rush for the doors. They were kept back by the colored military on guard, but a second attempt being made, the guards fired, killing one negro. The ors were then closed and Gen. Luke E. Wright spoke to the crowd and quiet restored for the time being.

The committee is doing all in its power to supply the people with food, but some of the negroes are dissatisfied with the manner in which the rations are issued. Further trouble is feared. ---
